

JOURNAL OF ECONOMIC GEOLOGY & GEORESOURCE MANAGEMENT

Prof. Calamur Mahadevan Commemorative Volume (Special issue, Vol. 10, APRIL, 2015)

This special issue comprises selected papers which were presented and deliberated at the "National Symposium on Challenges of Mineral Development for Sustainable Growth of India's Mineral-based Industries with Emphasis on Iron & Steel sector and Round-Table Conference of Mineral Sector's Entrepreneurs" (organised jointly by the Visakhapatnam/Andhra Pradesh Chapter of the Association of Economic Geologists and the Department of Geology, Andhra University from 8th to 10th March, 2013 at Visakhapatnam under the Convenorship of Prof. V.V. Nageswara Rao and Coordinatorship of Dr. P.S.N. Murthy, Vice- President: Southern zone of the Association of Economic Geologists), In addition to few invited papers.

- Published on behalf of the Association of Economic Geologists (having its Registered Office c/o 4805/24, Bharat Ram Road, Daryaganj, New Delhi – 110002) by Dr. P.S.N. Murthy and Prof. V.V. Nageswara Rao
- The copyright of this Volume vests with the Association of Economic Geologists. No part of this Volume can be copied or reproduced without the written permission from the copyright owners.
- Cover photograph: Prof. Calamur Mahadevan
(Courtesy: Geological Society of India)
- Number of copies printed: 500
- Price*: Rs. 1000/- ; US\$ 50
- Printed at Mamata Press, 31-33-120, Assam Gardens
Visakhapatnam - 530020 (A.P.), India
E-mail: mamatapress@rediffmail.com

*Available at 50% rebated price to the life members of the Association and bonafide Research scholars / Post-graduate students (Application to be recommended by concerned Head of the Department).

* “Represents India (country) chapter of the South Asian Association of Economic Geologists (SAAEG)”
(Affiliated to UNO-sponsored “South Asian Geological Congress”)

INTERNATIONAL JOURNAL OF GEORESOURCES

This periodical, an official organ of South Asian Association of Economic Geologists (SAAEG), aims at promoting the cause of advanced- level studies and research on various aspects of economic geology and sustainable management of georesources, including the precious ground water, oil and natural gas. In the process, it covers a wide spectrum of topics from sub-disciplines such as ore petrology, ore genesis, metallogeny, exploration geology, mineral, oil and groundwater exploration, resource evaluation and prognostication, mining geology, geo-environmental management, mineral economics including mineral and mining policies, etc.

EDITORIAL BOARD

Chief Editor*

ASSOCIATION OF ECONOMIC GEOLOGISTS

The Association constitutes India chapter of the South Asian Association of Economic Geologists (SAAEG) which was founded on 23rd January, 1995 at Colombo (Sri Lanka) during the Second South Asian Geological Congress (GEOSAS-II) at the behest of ESCAP/United Nations' representatives and AGID's President, Late Prof. P G Cooray. SAAEG's Indian Chapter was subsequently launched and registered as "Association of Economic Geologists" under the Societies Registration Act XXI, 1860 at New Delhi on 4th July, 1996.

Regarding further information about the Association, its objectives, achievements, plans and programmes, including publications, please visit our website www.saaeg96.org or email us at aeg@saaeg96.org.
